Gentlemen:

Reference is made to my recent request for additional information concerning the inventions of, 1) The use of a negative impedance converter and 2) The generation of a current sheet. This information is desired in order that consideration may be given to filing patent applications on these inventions. It is requested that this data be furnished at your earliest convenience.

Please advise also whether or not the residual property resulting from [Redacted] has been shipped to [Redacted]

25X1

Very truly yours,

*Signed*
